# POLA | WHITENING MENU

## Premium In-Office Whitening

For patients that would like to enhance the results of their take home whitening we offer Pola Office + : **30 minute procedure**.

\$25.00

## Deep Bleach Technique

For patients with very deep staining, we offer a Deep Bleach Procedure.

\$25.00

## Double Shot In-Office Whitening

For patients who prefer not to wear custom trays with take home whitening. We offer the Double Shot. **2 consecutive days of Pola Office + : 30 minute in-office procedure**. The first treatment will open the "pores" of the teeth and allow for the 2nd procedure to penetrate deeper into the enamel.

\$25.00

## Pola Light Take-Home Whitening Kit

This kit includes POLA Light mouthpiece with 3x3g syringe for ten days of whitening at home. Use for complete whitening treatment or for monthly one day touch-ups so you can maintain your whitest smile all year long! Perfect for people on the go!

\$25.00

## Custom Made Take-Home Package

- Custom made trays
- 10 Syringe Kit (20-30 applications)
- Mini 4 Syringe Kits also available (8-12 applications)

\$25.00

## On the Go Touch Up - Pola Luminare

Designed to brush directly on teeth to form a thin whitening film without the need for trays. Pola Luminare easily fits into your pocket or handbag for use at your convenience.

\$25.00

## Pola 3g Syringe Refill

- For patients that have trays and just need touch up whitening.
- 1 x 3g syringe 5-7 applications

\$25.00
